BIOMANUFACTURING CONFERENCE 2025:
**PANELLIST FOR OPPORTUNITIES IN
CULTIVATED MEAT & SEAFOOD**

“

Karsten Schellhas is a globally experienced expert in meat and alternative protein processing. A fourth-generation German Master Butcher, he has worked with multinational corporations and innovative start-ups across Europe, North America, and Asia. With deep technical knowledge spanning meat science, new product development (NPD), marketing, management and operations, Karsten bridges traditional and future-focused food production. He understands the scale of global corporations and the agility required in start-ups. Known for solving complex challenges, driving sales, and navigating international markets, Karsten brings unmatched insight into the evolving meat and alternative protein industry.
